Degree Audit

- Degree Audit is an advising tool to guides students in their academic requirements and progress.
- While it provides a list of necessary courses, regular meetings with academic advisors are strongly recommended to ensure timely degree completion.
- It is not intended to replace academic advising – direct questions regarding Degree Audit to your advisor.

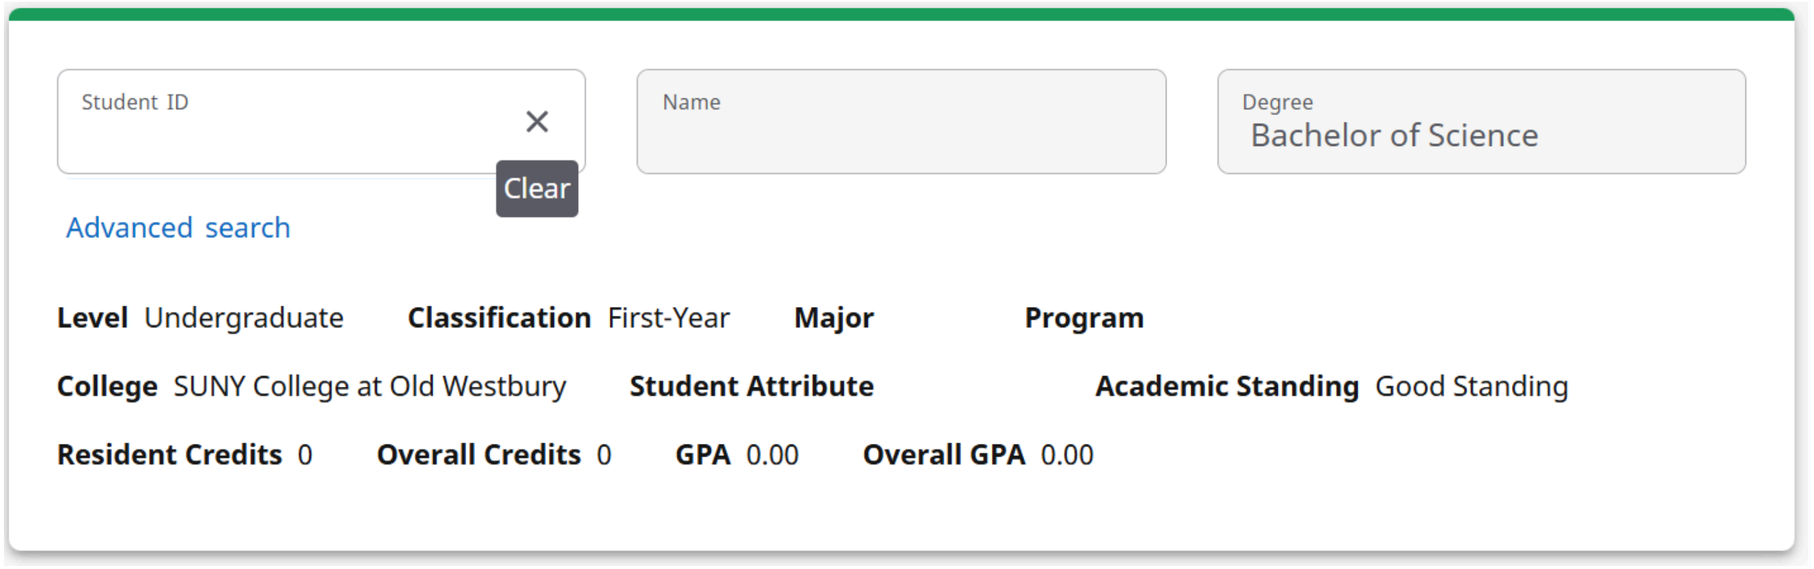

Accessing Degree Audit:

- Login to your ConnectOW account
- Click on the Degree Audit (DGW) icon in the Applications card
- Select Campus: Old Westbury (for the first-time only)

Note: Information is updated daily, so recent changes do not appear immediately.

Degree Audit Header

The header area of your audit details your classification (or class standing by credits), degree, major and other academic information. Verify the major listed is the one you intended to pursue.

Your initial GPA at Old Westbury will be a 0.0. While credits transfer, your GPA will be calculated based solely by grades earned in Old Westbury courses.

Note: The School of Business and Education will use the combined GPA* (GPAs of your previous school + Old Westbury) for admission purposes.

Degree Requirements

The Degree block details the total credits required for your degree and the components that make up your Old Westbury degree. General Electives must be tracked by calculating credits.

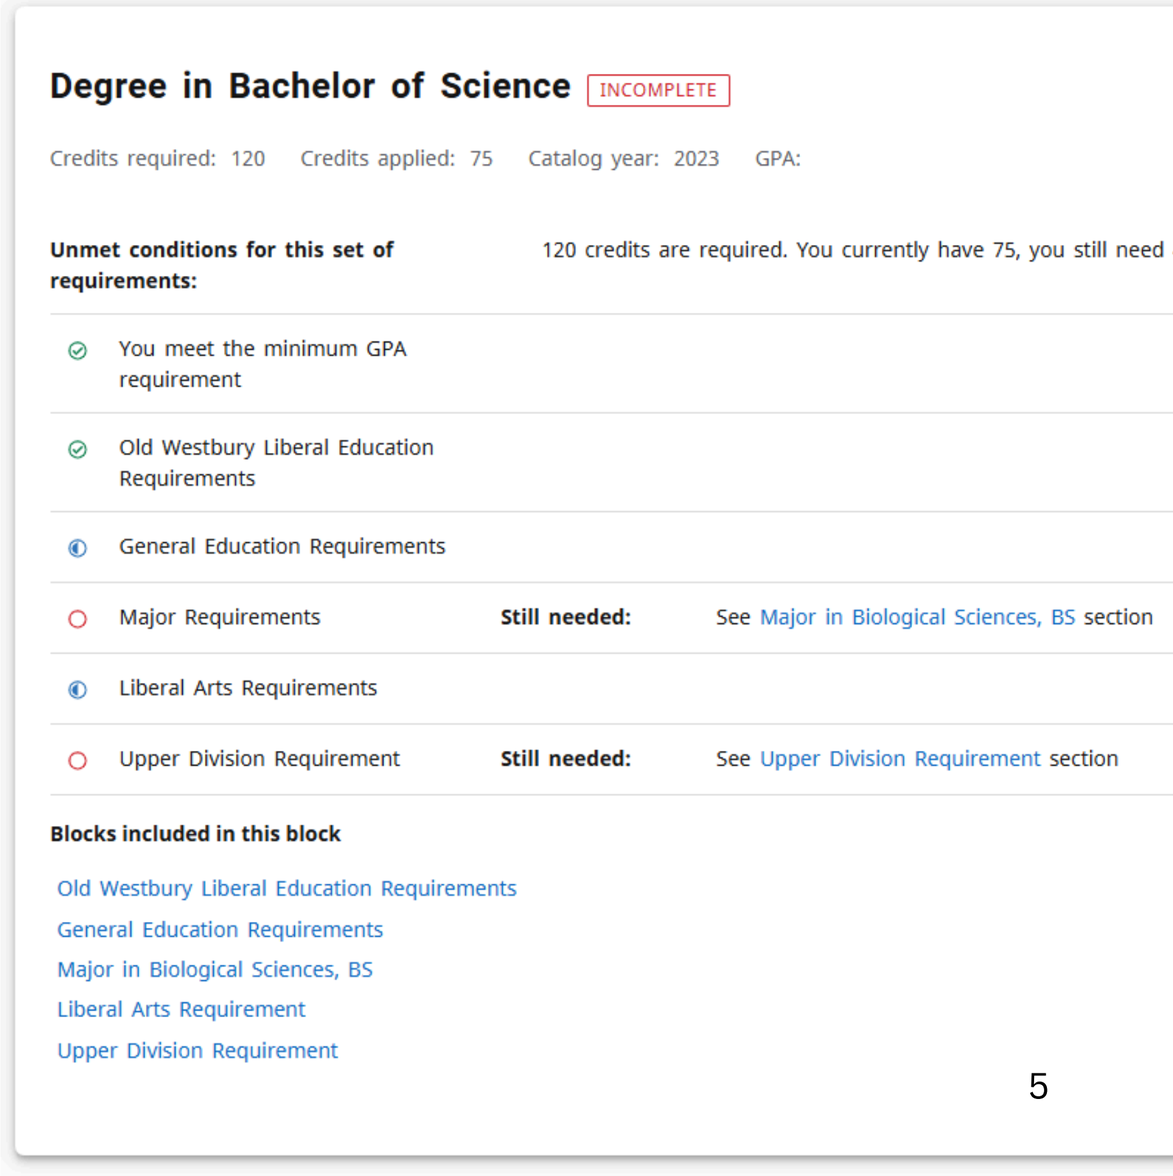

You must complete 40 credits of required courses in residence at Old Westbury, as well as a minimum of 120 or 126 total credits.

Your total credits applied for all sections will include completed and in progress work by default.

Requirements with:

- **Green** checks indicate completed
- **Blue** semi-circles indicate in progress
- **Red** circles indicate still needed

See Legend section at the bottom of the Worksheet for additional details and codes.

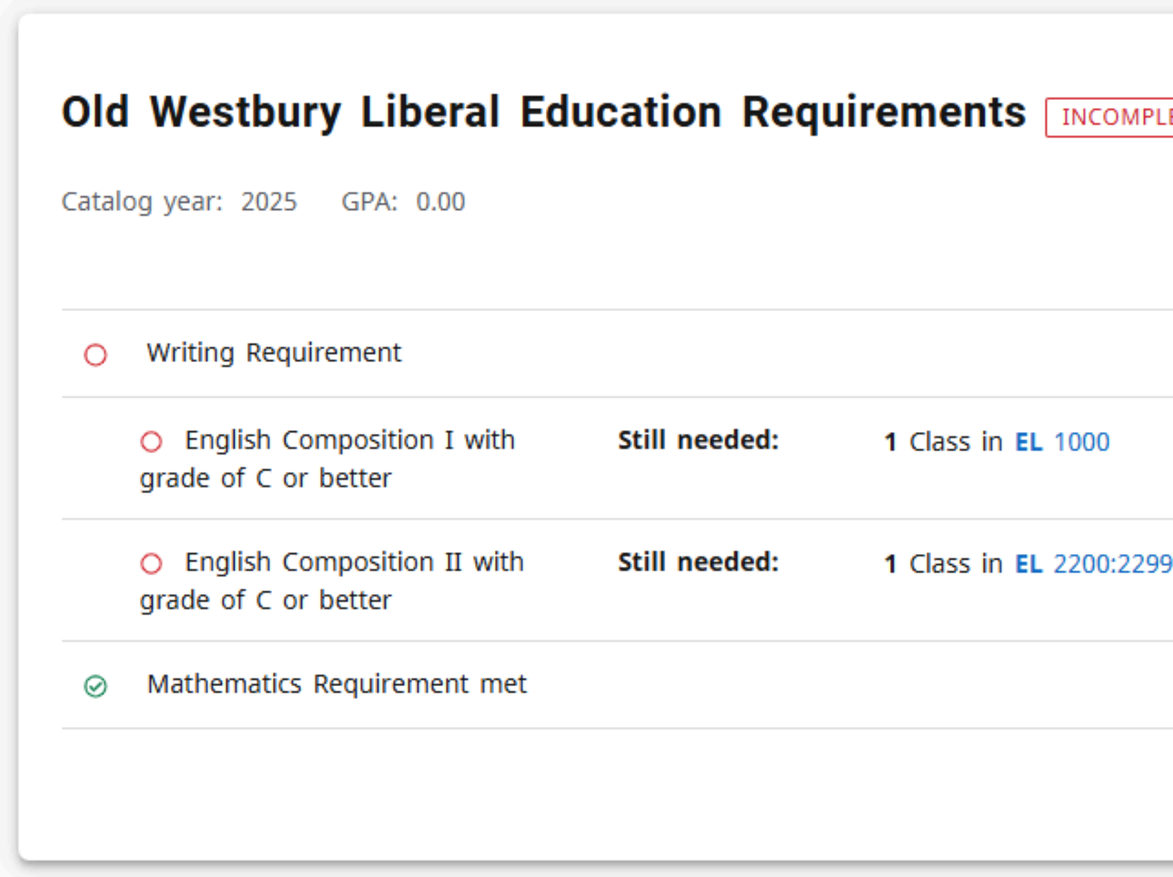

Old Westbury Liberal Education Requirements

SUNY Old Westbury requires all students, regardless of major, to complete two proficiency requirements, one in Writing and one in Mathematics.

Students who entered OW prior to Fall 2023 are also required to fulfill Diversity as part of the local requirements.

Transfer courses may be used to fulfill these requirements, but for the Writing Proficiency and Math Proficiency requirements, a grade of C or better is required in order for the area to be satisfied. (Transfer courses will have the grade listed with a T in front of it ex TC, TA, TCR)

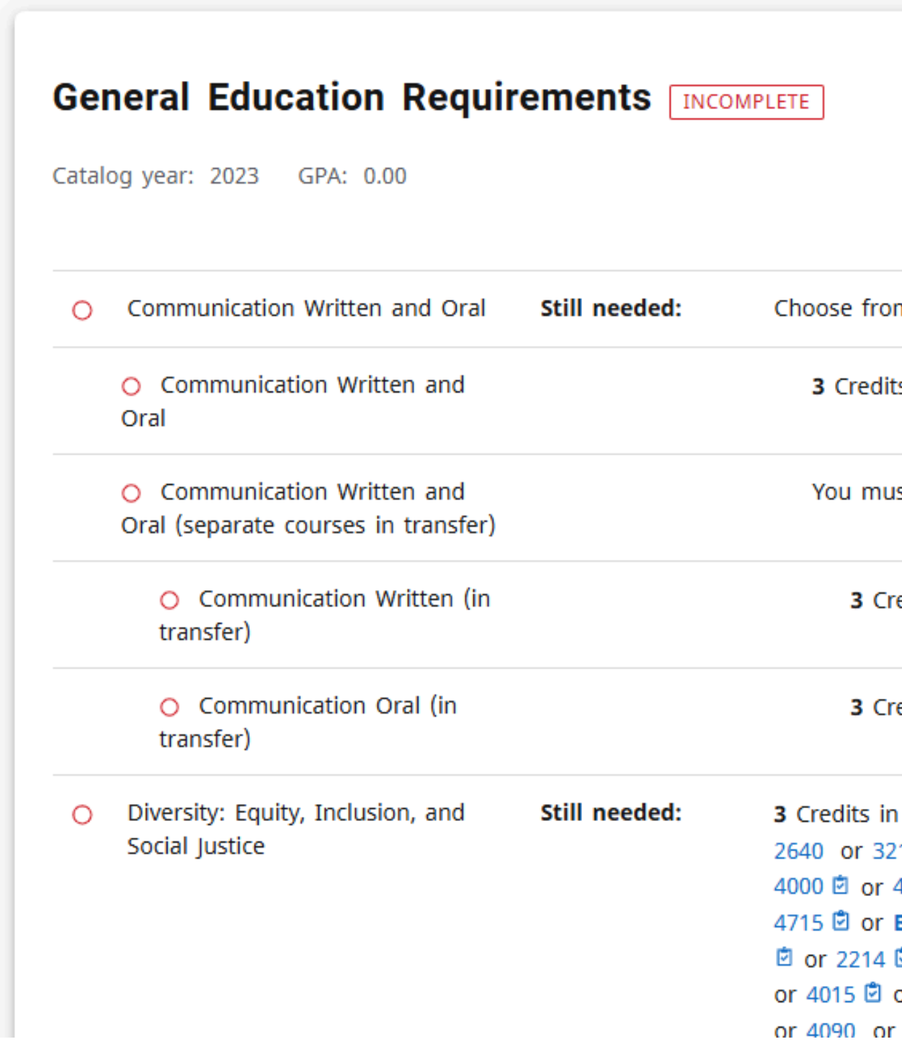

General Education

This area defines the SUNY and Old Westbury General Education requirements that all students need to fulfill in order to graduate.

Courses completed at your previous institution may be counted in this block, and the course and source of credit will be listed.

If you believe you took a course that fulfills one of the General Education domains but is not listed, and the domain is not met with another course, contact **transfer_credit@oldwestbury.edu** with a syllabus for the course for review.

For students transferring from a SUNY or CUNY institution with an Associate of Arts or Associate Science degree: this area will show as satisfied provided that the University has received a final transcript showing the awarded degree. Remember to send a final transcript from your previous institution that reflects your final grades and awarded degree so your evaluation can be updated.

SUNY OLD WESTBURY

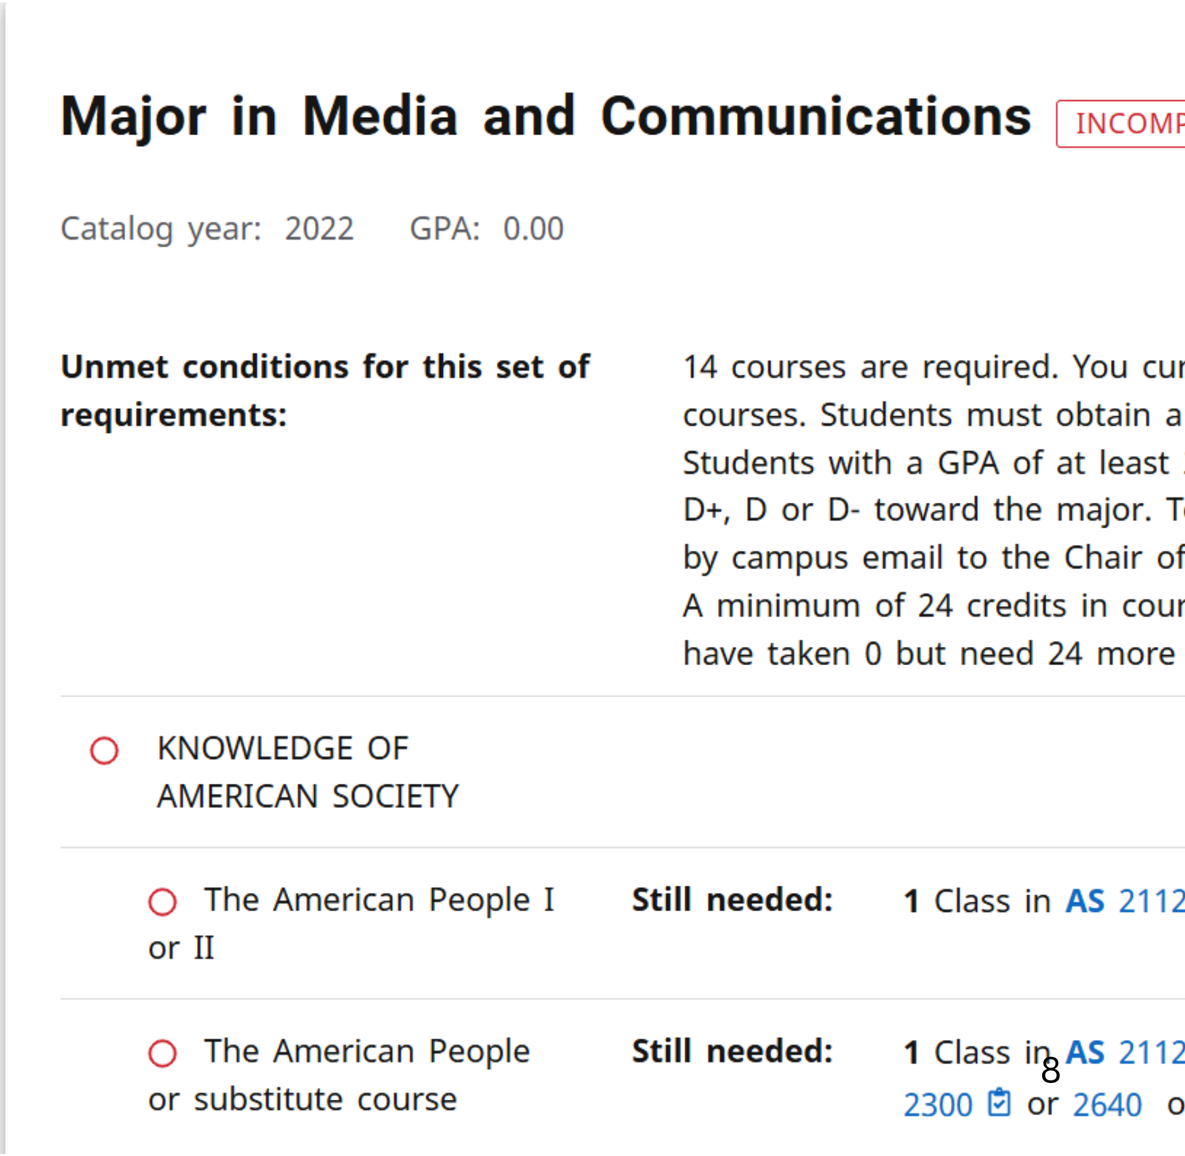

Major Requirements

This section defines requirements and residency credits for the major.

You will find:

- your major GPA
- course options, if any, for fulfilling requirements
- important policies in the "**Unment conditions for this set of requirements**" section

Note: Any course not yet fulfilled links to course descriptions and schedule snapshots, if available. Do not rely on the schedule seen there; always check in **Browse Classes** in Banner SSB.

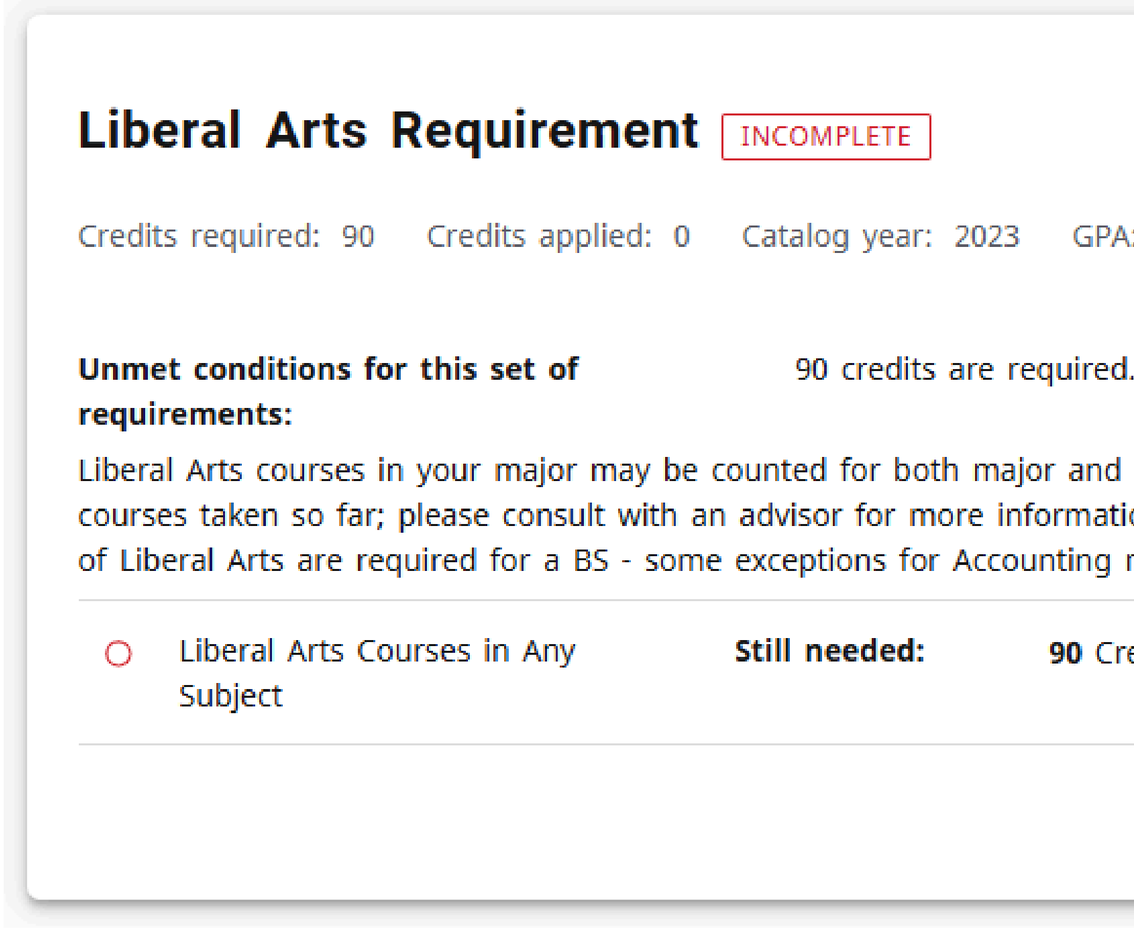

Liberal Arts Requirements

This area identifies and tracks the courses that fulfill the liberal arts requirement for your major. Many of the courses in your major requirement section and general education section will also appear in this section.

Note: Degree Audit stops counting Liberal Arts credits once you accumulate the required number of credits towards this section.

Required Liberal Arts credits:
Bachelor's of Arts (B.A.): 90 credits
Bachelor's of Fine Arts (B.F.A.): 90 credits
Bachelor's of Science (B.S.): 60 credits
Bachelor's of Science in Education (B.S.Ed.): 60 credits
Bachelor’s of Professional Studies (B.P.S): 30 credits

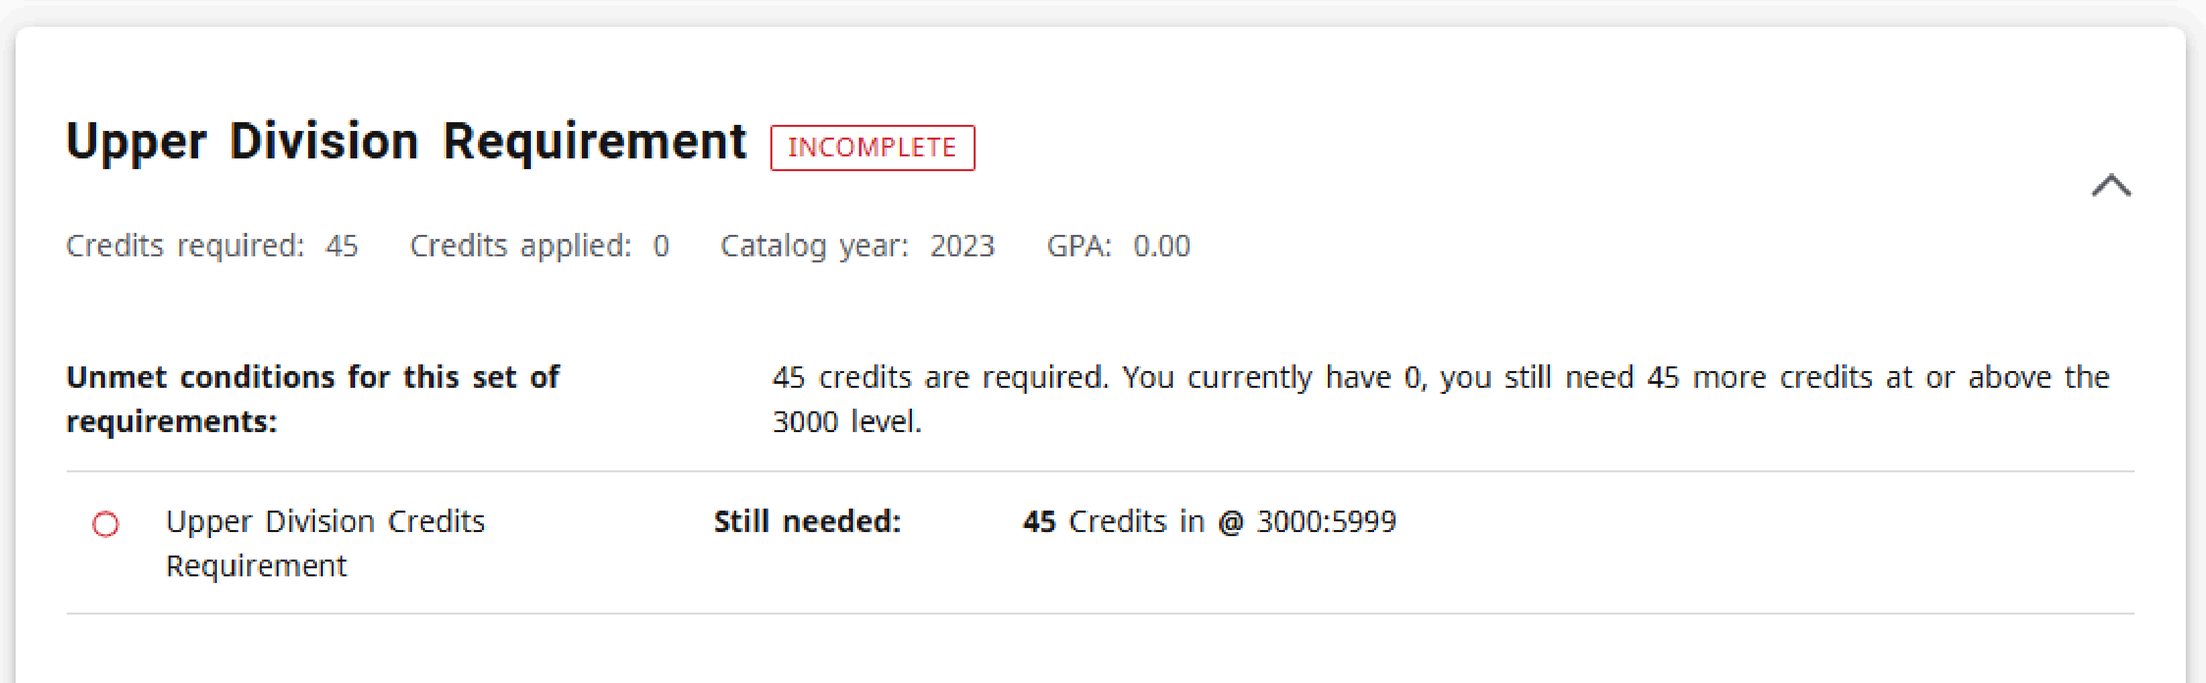

Upper Division Requirement

The Upper Division Requirement applies to all students seeking a bachelor's degree, regardless of major. You must complete 45 credits of courses numbered 3000 or higher.

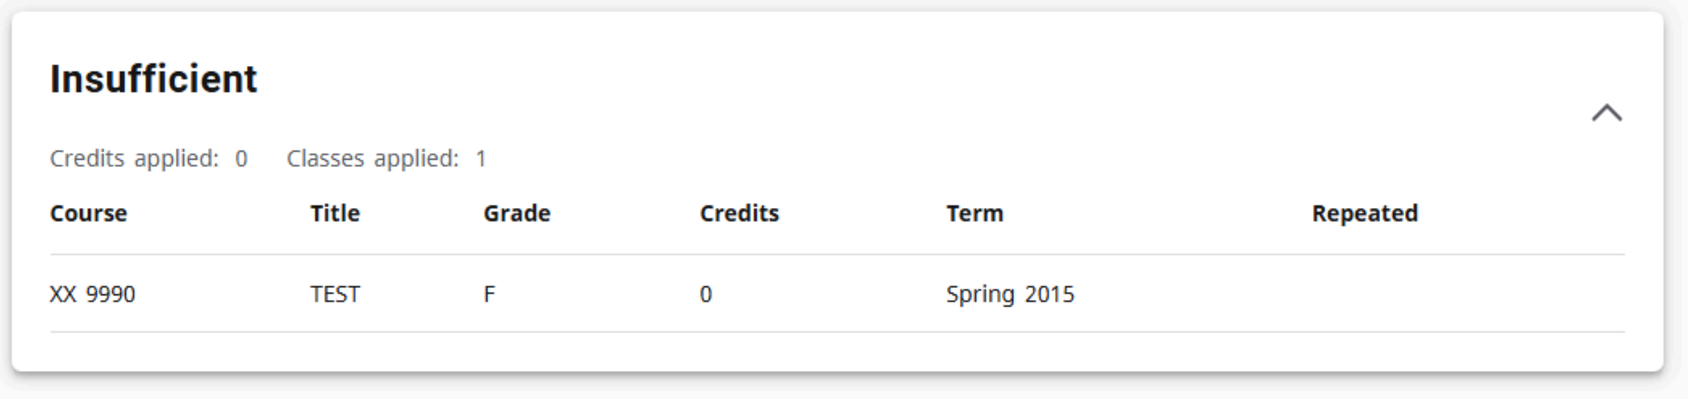

Courses that fulfill other requirements can count towards this requirement when they are at or above the 3000-level.

Transfer courses may be used to fulfill this requirement if they are deemed to be at the same level or hold an Old Westbury equivalent numbered 3000 or higher.

Insufficient

Courses that did not satisfy any requirements due to unsatisfactory grades appear in this section.

SUNY OLD WESTBURY

What-If feature

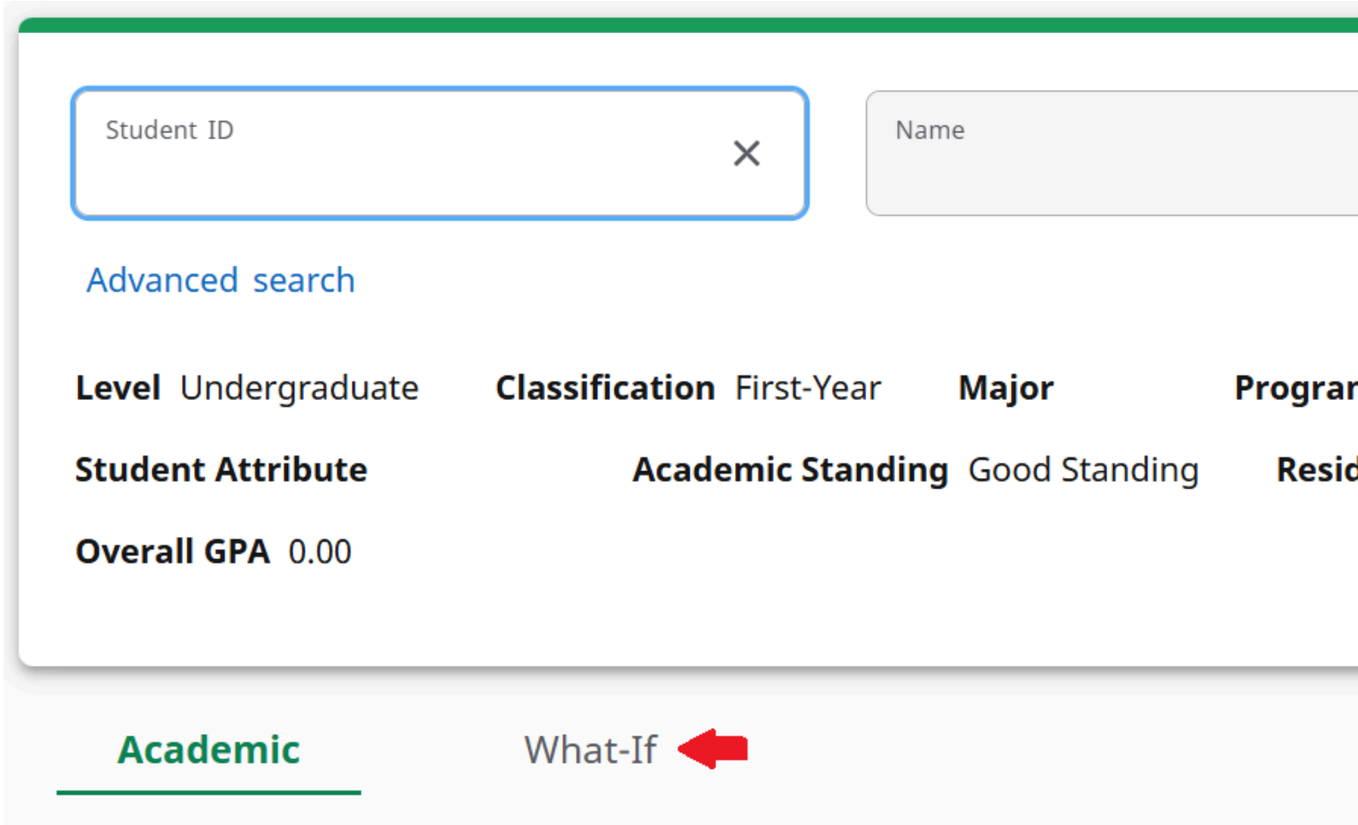

It is a tool to help you decide what major you would like to declare.

How to use the What-If feature

Under the header box (that contains your ID#, Name, Major, and other academic information) **click on the gray words "What If"**.

This will open an area where you can select other majors and minors.

THIS DOES NOT OFFICIALLY CHANGE YOUR MAJOR.

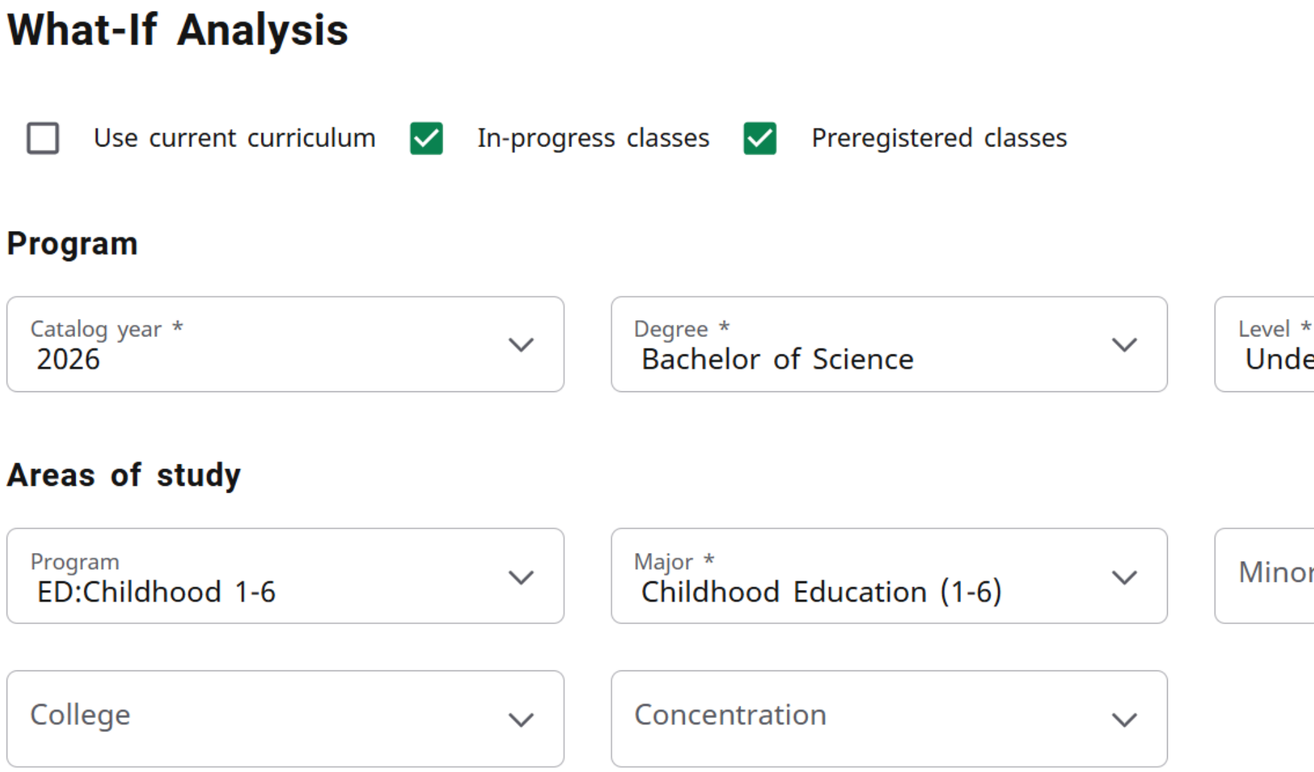

SUNY OLD WESTBURY

Click on the drop downs to choose:

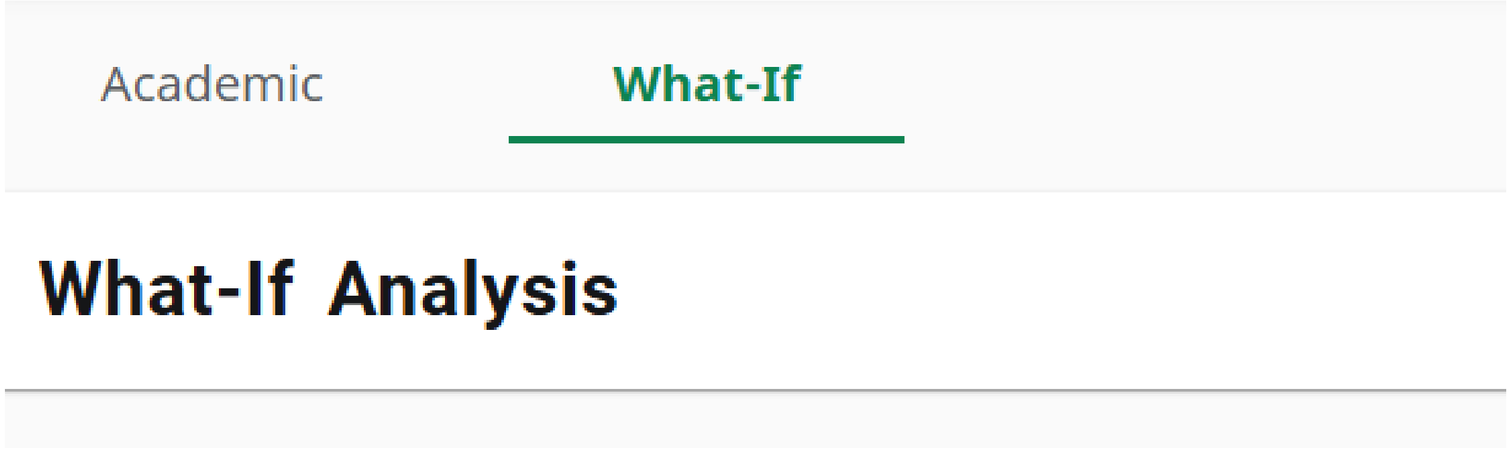

- Degree
- Program
- Major
- Minor (optional)
- Concentration (only for Childhood Ed majors)

Then, click on the gray “Process” button

To return to your original degree audit, click on the gray word “Academic” above the What-If Analysis section.

Questions regarding Degree Audit should be directed to your Academic Advisor or Faculty Advisor.

SUNY OLD WESTBURY

How to officially declare a new major

Students can submit **the Change of Major Request Form** to declare a new major*. The form can be found in the Registrar Forms card in Connect OW.

For declaring a dual major, submit **the Dual Major Request Form** instead of the Change of Major Request Form.

How to officially add or remove a minor

Students can submit **the Minor Request Form** to add or remove a minor. The form can be found in the Registrar Forms card in Connect OW.

*Students must meet the admission requirements to declare a major in the School of Business or Education.
